THE ENCHANTED LANTERN STORY

In 1889, LeRoy Fairchild, along with other members of Hamilton Masonic Lodge in New York, met to organize and hold informal meetings for fun and good fellowship – Grotto. Membership was limited to Master Masons in good standing. Members did not hold meetings at their lodge, but rather at more informal places that changed regularly. These changing locations were marked by a lighted red railroad lantern hung in the window to indicate the site of their next meeting. The history of the lantern was not forgotten when in 1953, the Grottoes of North America adopted the Enchanted Lantern as its emblem to represent each contribution of \$50.00 or more.

The annual sale of Lanterns to prophets, family members, lodges, etc has been the backbone of the Humanitarian Foundation fund raising for over 70 years.

Donations support the Dental Program through the Endowment Fund.
