GRAND MONARCH'S MESSAGE

Prophets and Ladies,

Beth and I have just finished flying all over this great continent, visiting with all of you and boy are our arms tired! Seriously, it has been a fantastic five months of travel and I would not trade it for anything. The hospitalities extended to Beth and me have been fantastic and we wish we could head out for a second round of travels. We may be from different states or even different countries, but our theme is the same everywhere: Fun, Fellowship and Philanthropy. I was overwhelmed by the outpouring of gifts to the Humanitarian Foundation at each of the association meetings we attended and it seemed to grow with each visit. Thank you all for your generosity to our charity.

I would like to comment on some observations I have made during my travels. As we have traveled, there have been a few themes that are areas for concern. Attendance has been dramatically down at the association meetings all across the Realm, and there has, in many cases, been a lack of planning for the event. This is not pointed at any particular Association, but the Realm in general. As I have traveled over the last 8 years, I have noticed that this has been the trend around the Realm. As our membership has declined, we have not changed the format of our Association meeting and there are many areas of dead time during the event. When we had 200 Prophets in attendance we may have needed two days of meetings to conduct business, but with 25 in attendance that is not the case. When we had units traveling, we did not have dead time in the afternoon, as they were filled with competition and parades. We would have multiple hospitality rooms to visit, and games to play in each one of them. Those that were in attendance at the Ohio Grotto Association were treated to a video of an OGA convention from 20 years ago by Grand Chief Justice Mark McCombs. It showed them traveling the halls of the hotel, going from room to room for hospitality and a banquet with hundreds in attendance.

This can happen again; I challenge the officers of the Associations to get together and talk with your Past Presidents to discuss what worked and did not work for them during their years. Talk with the Prophets of your Grottoes to see what they would like to have at an Association meeting and work to build up these events. Don't be afraid to make changes to the format of the meeting. This may require a bylaws change, but it can be accomplished.

So many times we hear from the Prophets, "Why should I go to the Association Meeting; what does it do for me?" Well, I have been thinking about this as I traveled and I have it down to one word – **OPPORTUNITY!** An Association meeting gives you **OPPORTUNITY.** Opportunity to see old friends, to make new friends, to share ideas with Grottoes in your area and see what works or may not work,

MITCH WEINSTING
Grand Monarch

to have fun and fellowship and work to a common goal and help the children through our Humanitarian Foundation. Without an Association you would not have this Wonderful Opportunity. And to those Grottoes that do not belong to an Association because they felt they were not getting value for their money, I encourage you to rejoin your Association and give them another chance and take advantage of this opportunity. This can have a snowball effect if it is planned correctly. If we can increase attendance to the meetings, then we can plan bigger events. If we have bigger events it will increase attendance. If we increase attendance we will have more enthusiasm. If we increase enthusiasm we will have more Prophets wanting to be involved and run for office. If we have more competition for office we will have more attendance to have a say in who runs the Association. Wouldn't it be wonderful to have several elections at an Association meeting to elect someone to the bottom of the line instead of looking around the room for volunteers? If you have an election then you immediately create an opportunity to have a Goodfellow competition while the ballots are being counted. See how easy this can be if we just try?

Inside this magazine you will find information on the 125th Supreme Council Session in Columbia, Missouri. We have several exciting events planned and I hope that you will take the opportunity to travel to Columbia for the Session. We will have a guided trolley trip around Columbia which will include a visit to the Missouri Masonic Museum and Harry Truman Research Library. On Tuesday there will be a trip to see the Clydesdale farm and visit a local winery. On Tuesday night there will be a piano player at the hotel for some entertainment and sing along. This event will include some Grotto milk and snacks. Of course there will be a golf tournament and lots of Hillbilly hospitality. Please plan on attending the session and taking advantage of an **OPPORTUNITY.**

Fraternally Yours,

MITCH WEINSTING

NOTICE TO PROPHETS

Each year at the Supreme Council National Convention four (4) management positions are available. Three (3) of these positions - the Grand Captain of the Guard, Grand Treasurer and a Grand Trustee are elected on the floor at the convention and are open to Past Monarchs and Monarchs only. The fourth position (Humanitarian Foundation Trustee) is appointed by the Board of Governors during the convention and is available to Past Monarchs and Monarchs.

1. GRAND CAPTAIN OF THE GUARD

The entry level position in the Grand Line. Duties are to guard the Supreme Council while in session and comply with all wishes of the Grand Monarch. This office should be completely familiar with the Supreme Council Code and be prepared to accept more responsibilities as he progresses through the Supreme Council Line to his ultimate goal of Grand Monarch. He is a voting member of the Supreme Council Board of Governors. He is paid mileage/per diem for attending the National Convention and actual expenses for Board Meetings.

2. GRAND TREASURER

Elected for one (1) year term. Duties and responsibilities are outlined in Chapter V, Section 5.6 of the Supreme Council Code. This officer is also a voting member of the Board of Governors as outlined in Chapter VI of the Supreme Council Code. He is paid mileage/per diem for attendance at the National Convention and actual expenses for attendance at other Board Meetings. Preferably, he should have a financial management background.

3. GRAND TRUSTEE

There will be two openings this year - one elected for a two (2) year term and one for a three (3) year term. Candidates must specify if they are running for the two or three year term, or, if they will run for both. Duties and responsibilities involve the management of property and investing of Supreme Council funds as outlined in Chapter V, Section 5.11, 5.12 and 5.14 of the Supreme Council Code. He should be experienced in financial investing. He is paid mileage/per diem for attending the National Convention and actual expenses if ever to attend Board of Governors meetings.

4. HUMANITARIAN FOUNDATION TRUSTEE

This is a position appointed by the Supreme Council Board of Governors for a five (5) year term. For details of the duties and responsibilities of this position refer to Chapter X of the Supreme Council Code. Prophets interested in this position should submit a brief resume of their qualifications to the Supreme Council Board of Governors through the Supreme Council Office. Remuneration is the same as a Grand Trustee.

MEMBERSHIP RETENTION

Grand Monarch Mitch Weinsting has selected FUN as the theme for his term. The Grottoes of North America were founded upon the principles of Sympathy and Good Fellowship ... better known as FUN. FUN is what the Grotto is all about. Do you have FUN at your Grotto? How does your Grotto promote FUN?

Having FUN is one of the simplest means of retaining members. Does your Grotto do more than have business meetings and ceremonials? If not, try to have some FUN. Be intentional about having events and experiences that produce Good Fellowship and enjoyment. You will be surprised at how the participation in your Grotto will increase! Here are a few ideas of FUN things you can do:

THEME PARTIES — Pick a theme, then decorate the gathering place to reflect the theme. Ask members to dress in accordance with the theme and have food and beverages to go along with the theme. Give out awards for best costumes.

SPORT EVENTS — Get a block of tickets for a local sports team. Minor league games can be lots of fun and as a group you may be able to get your Grotto's name up on the scoreboard.

DINE OUT NIGHTS — Pick a restaurant everyone raves about. Go out to eat as a group and rotate where you eat for a variety. As a bonus you will be supporting local businesses and get your Grotto's name in the public conscious.

MYSTERY DINNERS — Invite Prophets and ladies to a dinner, but do not tell them what will be served. Create an experience based on the menu. Example: Italian Night with checkered table cloths and Italian decor; Texas BarBQ with western theme. Get the idea?

ADVERTISEMENT FOR EXECUTIVE SECRETARY

Due to the impending retirement of our current Executive Secretary, PGM William Wears, the Supreme Council Office is accepting resumes for a part-time Executive Secretary who is elected by the Board of Governors. Duties are outlined in "The Supreme Council Code" Chapter 5 Section 7 (5.7) or may be requested from the Supreme Council Office. Applicants will be required to be well versed in the Supreme Council Code, Office Management, a Prophet in good standing, and flexible in duties and hours. Please send resume by March 1st, 2015 to:

A MESSAGE FROM THE SUPREME MIGHTY CHOSEN ONE

Prophets, Daughters and Friends,

It's my pleasure and privilege to greet you on behalf of the Daughters of Mokanna. Our Supreme Caldron year is off to a great start after a successful and fun-filled Supreme Session in Tampa, FL hosted by Jr. Past Supreme Mighty Chosen One Sandra Carreras and the Daughters of Zendah Caldron. It was a joy to welcome Daughters Lois Thiergart and Angelina Atala among the wonderful class of candidates initiated into the Supreme Caldron and Zendah Caldron during our Session.

Our Supreme Caldron theme this year is "The Golden Chain of Friendship." This symbol resonates through a number of our masonic-affiliated bodies as an important reminder of the bonds we have with one another and our wider communities. Just as GM Weinsting is urging the Prophets to extend the reach of the Grotto and encourage greater participation by existing members, I am requesting that our Daughters celebrate our theme by raising awareness of our Order to attract new members and strengthening the ties between our current members as we go about our great work of service in cooperation with our Prophets. I'm proud to say that, in addition to our steadfast support for the Humanitarian Foundation, our Daughters have shown generous dedication to many other charitable projects in their own communities. I feel very blessed to be associated with so many caring people.

The Daughters of Omala Caldron and the Prophets of Omala Grotto are very busy preparing for our Supreme Session to be held September 17-19, 2015 in San Antonio, TX. We're planning to show everyone a great time in our beautiful, multi-cultural city. Please make plans to join us for the fun.

AWARDS WILL BE PRESENTED AT THE RED TASSEL PARTY

125TH SUPREME COUNCIL SESSION HOSPITALITY ROOM

It's time to break out the still and have a thigh slappin' good time in Columbia. The theme for the Hospitality Competition will be Hillbilly. So bring your 'shine and snacks and get ready to have some Fun & Fellowship. There are 8 rooms set aside for Hospitality rooms. They all open to the outdoor pool and have an outside area with tables.

To reserve your room contact Kevin Wooden at 573-268-0186 or kevinwooden@centurytel.net. We will be delivering ice to your room each day. Get out your overalls and grill up some 'possum and let's have a good time.

“GROTTOES GOT TALENT!”

Due to the declining participation in the contests at the Supreme Council Session, the Contest Committee, from a suggestion from one of our Grottoes, is proposing to revamp the various contests and have an open talent contest with the theme being “GROTTOES GOT TALENT.”

This contest would be open to any and all acts done in good taste. Each contestant would have five minutes to perform and it will be open to all who pay the Supreme Council registration fee whether male or female. Comedians could tell jokes, poetry, soloist either vocal or instrumental, even story telling would be allowed. These would take place Friday afternoon to be judged by a panel of 3 judges who would independently vote and turn the results over to the contest committee. The contestants with the top five scores would move on to the finals to be held at the Red Tassel Party Saturday night. Each person purchasing a ticket to the Red Tassel Party will receive a ballot to be turned in, tabulated and announced by the contest committee before the end of the party.

We will still have the Saturday competitions including the clowns, balloon making and competition for the pass and review, which, includes the 3 and 4 Wheelers, Color Guard, Marching Band, Pipe Band, Drum and Bugle, Ladies Patrol Drill, Men’s Patrol Drill and Motor Patrol. We will also continue with the various contests for the Poster Display, Web Sites, Hospitality Room, Publications, Good Fellow and Officers Opening and Closing. These contest categories have not changed.

The details are still being worked out as far as the prize money and will be published soon online and in the Spring Grotto Magazine. The registration form for 2015 is on the following page and online. We hope this new talent contest will stir some interest to get your Grottoes back out to compete. We are always open for suggestions on how to improve the contests. *Remember, we are doing this for you so that we can all have fun at the Supreme Council Sessions.*

— Contest Committee: Michael Tomascin PM—Chairman, Jim Jarnagin PM, Larry Probst PM

WHAT DON'T YOU KNOW ABOUT YOUR HUMANITARIAN FOUNDATION?

Greetings Prophets & Ladies:

First, and most important, it is **YOUR** charity. It is the charity of the Grottoes of North America and it is the one charity that, as Prophets we support.

Second, the Humanitarian Foundation is a non-profit charity governed by the provisions of **Section 501(c)(3) of the Internal Revenue code**. That means, your Humanitarian Foundation must strictly comply with the Internal Revenue Service code and cannot deviate from it. This means, your Humanitarian Foundation must spend a minimum of 5% of its endowment each year and it must be spent on the charitable endeavors that your Humanitarian Foundation has stated in its mission. Which is, **to provide dental care to children with special needs**.

Your Humanitarian Foundation Trustees carefully and conservatively manage the investment portfolio that keeps your charity viable and keeps them in the good graces of the Internal Revenue Service. For the year ending May 31, 2014, the Humanitarian Foundation portfolio gross was 13.27%.

But, the Humanitarian Foundation can't exist on the gains from the portfolio. Your help is necessary. Do you know that only **18%** of Grotto members donate to the Humanitarian Foundation? This is a small number but, some gains have been made. In 2010 only 554 members donated to the Foundation. **Since 2010, One Thousand Six Hundred Twenty Seven (1627) NEW PROPHETS HAVE BEEN ADDED TO THE DONOR ROLES**. Donor participation is growing in spite of our diminishing membership but, your continued support is needed.

Like other charitable organizations that depend on donations from its members, their families and friends, your Humanitarian Foundation will continue to seek your financial support. So, please don't lose sight of the three programs that your Humanitarian Foundation sponsors; the **ENCHANTED LANTERN**, the **FAIRCHILD SOCIETY**, and the **LEGACY SOCIETY**.

Let's briefly talk about these three programs. Did you know that buying only **ONE LANTERN** every year can pay for an oral examination or the application of a cavity preventive sealant on the teeth of a child? And, by the way, do you know if you have not personally purchased a LANTERN you pay \$1.00 more per year in dues than those Prophets who have purchased a LANTERN?

The **FAIRCHILD SOCIETY** is a "giving club". You can start at any level and when you've completed one level you can move on up to the next. When you become a member of the Fairchild Society, your name is engraved on a plaque in the Supreme Council Office and it is displayed at every Supreme Council convention. Please keep in mind the purchase of an ENCHANTED LANTERN or joining the FAIRCHILD SOCIETY is not just for individuals. **Your Grotto or your Grotto Association can purchase Lanterns and they can join the Fairchild Society too.**

By joining the **LEGACY SOCIETY** this allows you to make a promise to remember the Humanitarian Foundation in your will or estate plan. You don't have to tell us how much you are committing to the Foundation, you just sign a statement of intent that you are including the Humanitarian Foundation in your will, insurance, retirement or estate plan.

The most important thing to remember: When you buy an **Enchanted Lantern**, when you join the **Fairchild Society** or when you make a promise to the **Legacy Society**, your contributions go directly into the endowment fund. Remember, we **MUST** spend at least 5% of this endowment each year to help those kids that need our help. So, your donations increase our ability to meet our mission.

Remember when I said, *"Only 18% of the Grotto members donate to the Humanitarian Foundation?"* **Let's double that number this year!**

RICHARD FAUST, PGM
Humanitarian Foundation Trustee

HUMANITARIAN FOUNDATION CIRCLE AWARDS

Named for the Grotto's Chief Founder, LeRoy Fairchild, the Fairchild Society is for major donors who may choose from a variety of levels, including pledges. Prophets receive corresponding emblems representative of their gifts.
