# A MESSAGE FROM THE GRAND MONARCH

Dear Brother Prophets and your Ladies:

Well, it has been an interesting and fun filled several months! As I stood before you in accepting this high honor to represent and to serve the Grottoes of North America, I was humbled and so proud beyond belief. Little did I know that this feeling would

grow with every waking hour. The Grottoes Monarchs Balls and the Associations visited, I was honored to share in all of their fellowship and fun. The most unbelievable experience, as your Grand Monarch, was the excitement and the faces of the Master Masons looking forward to being made a "Prophet!" Seeing their enthusiasm and listening to their new ideas and why they want to charter a New GROTTA!! For their future is strong and it left a great taste in my mouth. I could smell great fellowship and fun.

As I finish my travels and get ready for Convention, it seemed like I was on target for our 132nd Supreme Council Session in Cincinnati. I do my best not to take any day, time or place for granted. Doing my best to do my job as I was elected to do and to keep the direction focused and on target. It is hard to be prepared to handle everything. I experienced a moment that our strong tradition and honor was tested. Please understand that the Supreme Council Grottoes of North America at no time will ever accept or condone in any way, any and all forms of racism or discrimination to any person, place, group or Association. That also includes any and all forms of digital communications.

Being the Grand Monarch it's always a pleasure to visit as much as I could throughout the realm, from many Association installations, Grotto installations, Monarch's Balls and also to attend the many events and fund raisers to help our Foundation. I must say nothing could have prepared me more for the unbelievable feeling of pride and joy to see a new Grotto receive its charter. Standing in front of all the Master Masons that are good and true and performing their Charter, their Institution and their Installation of their new officers! The excitement they show and the smiles looking forward to an amazing future. Knowing that I had a part in bringing these Master Masons to further light. I always congratulate our Grottoes that are celebrating their 5th - 10th - 25th - 100th years as a Grotto. Let's not take these years for granted. It's easy to just sit back and let the routine take over while losing the enthusiasm and the real truth in Fun and Fellowship. If you or your Grotto seems to have fallen into a slump, sit back and realize "let's not give up." Start visiting other Grottoes and be sure to attend a New Grotto Charter which will help get that excitement back, then do so. Yes, the good fun and fellowship awaits us all. As I traveled, I have seen more different ways to have fun and good fellowship. Each state's Grotto have their ideas and formulas that works for them! Check it out! Remember

your "5" Senses won't let you down. Look at your Grotto and look at theirs and together a fun and strong future is guaranteed. Let's not give up because your glass is "half" full.

It's been over 8 months serving all of you. It's my pleasure and honor, but I must admit it's coming close to my end as your Grand Monarch. The week of July 4th in Cincinnati will be home to our 132nd Convention. It will be a time to again strengthen our future and review our past. For me, it's time to visit and again shake hands and hug all who have made my year so great. "A Day in Time" and there were so many for me. Each and everyone of those days were met with my "5" Senses. I thank you all! Register soon so you won't be left out. Help me to celebrate our times and our laughter together. The sharing and the reinforcing what it is to be a Prophet!

There will be a "convention" hug and handshake waiting. Bless you all with prayers of good health and safe travels.

Yours in Goodfellowship,

James K. Drake  
Grand Monarch

# GRAND HISTORIAN'S MESSAGE

In light of a resurgence of new Grotto formations and renewed interest of masons joining existing Grottoes, I found this article from El Texa Grotto published in "THE EL TEXAN" and republished in the "PROPHETABLE IDEAS" March 1962 still relevant.

## CANDIDATES

A CANDIDATE is the most important person in our business!

A CANDIDATE is not dependent on us, we are dependent on him.

A CANDIDATE is not an interruption of our work – he is the purpose of it.

A CANDIDATE honors us when he joins – we are not doing him a favor by obligating him.

A CANDIDATE is a part of us – not an outsider.

A CANDIDATE is not a cold statistic – he is a flesh and blood human being with feelings and emotions like our own.

A CANDIDATE is a person who brings us his wants – it is our job to fill those wants.

A CANDIDATE is deserving of the most courteous and attentive treatment we can give him.

A CANDIDATE is the life-blood of this and every other organization. Let's get one now!

HOW TIMES HAVE CHANGED, anyone planning a Grotto, Association, or Supreme Council event with required lodging negotiations knows the difficulty of arranging clean, desirable, and most of all, affordable housing. This was taken from the April 1942 "PROPHETABLE IDEAS"

SINGLE ROOMS-----\$3.30, \$3.85, \$4.40, \$4.95, \$5.50

DOUBLE ROOM – 2 PEOPLE-----\$4.95, \$5.50, \$6.05, \$6.60

ROOM WITH TWIN BEDS – 2 PEOPLE-----\$5.50, \$6.05, \$6.60, \$7.15, \$7.70

To help put this in perspective Google reports \$1 in 1942 is worth \$17.25 today.

## A MESSAGE FROM THE HUMANITARIAN FOUNDATION TRUSTEES

We would like to take this opportunity to apologize for the delay in getting your Enchanted Lanterns and Fairchild certificates to you. We have had some personal and office issues in the last couple of months. But be assured that everything is getting back on track, and you will be receiving your certificates in a more timely manner.

We have hired another employee for the Humanitarian Foundation, Robin Edwards, who is working out great. Also, our new programs for Dental, Enchanted Lanterns and Fairchild Society will be up and running sometime the latter part of March. This will make it easier to provide you with any information you request on your donations.

Again, thank you for your understanding and patience during the last couple of months. It means quite a lot to us to have the support of everyone and thank you for the donations that keep coming in.

## IN GOOD FELLOWSHIP, THE HUMANITARIAN TRUSTEES

## LANTERN TALK

Imagine with me that we are back in 1888 or 1889 in a small town in upstate New York. Your name is Sydney Smith, and I am LeRoy Fairchild and I own the local clothing store. We live in a prosperous and growing town that use to be Paynes Hollow but is now called Hamilton after Alexander Hamilton. I'm the appointed leader of a group of masons called the Fairchild Deviltry Committee that gets together after lodge for some cards, a cold drink, a hot cigar, and some High Jinks. We meet at different shops around town in the evenings after lodge; frequently we meet at my store.

Imagine that you and I meet on morning in front of Big Phils Italian Barber Shop. You say to me: "Say LeRoy, a group of the Lodge boys want to get together tonite, and there are some masons who are traveling salesmen and came in on the train who are at the hotel tonite. They want to join us again as well."

I say "if there are that many, we better meet at my place in the basement club room I set up. It may be a Grotto like cave down there, but it's still a good place to meet."

As we part, I agree to put the usual signal out on the front of the store so the guys in town will know the meeting's at my place this time.

That signal was a Red Lantern they hung on flag poles in front of whatever store they were meeting at.

The following year, in New York, that Fairchild Deviltry Committee was organized as the Grottoes of North America. Sixty years later in Long Beach, CA, the Grotto adopted that Red Lantern, that was used as their meeting signal, as the symbol of their Humanitarian Foundation.

Back in 1889, LeRoy Fairchild, as the leader, was called King Devil. Today, we call our leader Grand Monarch. And today, the Grand Monarch has called on the Supreme Council to meet, so it is time to put out that Red Lantern, so we all know where the meeting is.

### INSTALL AND LIGHT LANTERN

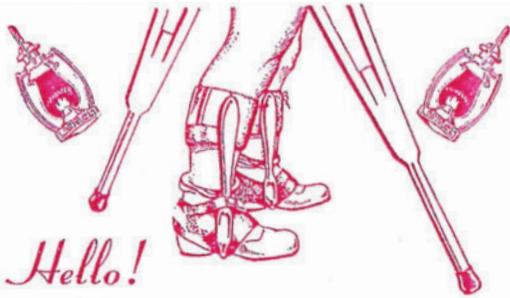

The Supreme Council is now assembled, and as Master Masons, we are taught to seek our God for help and guidance before starting anything important.

Prophet Grand Chaplin, you will attend at the altar, open the Holy Bible, and deliver our invocation.

Please remain standing for the presentation of the Color Guard, after which I invite you to remain standing and join me in the International Pledge of Allegiance, as traditionally led by PGM Robert Black.

**Color Guard, present the American & Canadian Colors.**

**National Anthems: Canadian & United States**

JUST MY LEGS ARE SHOWING BUT  
THERE'S A SMILE ON MY FACE! SO . . .  
HELP TODAY AND HOPE TOMORROW.

## THE STORY OF THE ENCHANTED LANTERN

By EARL STRICK, P. M.

Hundreds of years ago the story is told of the "spiritual hobo" who had an Enchanted Lantern. By simply waving a wand over it, his every wish was granted.

The riches of the land became his; the most beautiful women and people of the country where he lived were his slaves.

In his greediness, the power of the Enchanted Lantern was used only for his personal gain and satisfaction.

This lantern could bring happiness, good health and the finer things of life for both its holder and those about him, but it was never used except for the material things, power and greed.

One day, so the story goes, greed became such an important factor in the life of the holder of the Enchanted Lantern he forgot it required good fuel to keep it burning. It went out; his dictatorship came to an end, his people revolted and his life was exterminated by them. He died a violent death.

The Enchanted Lantern fell into the hands of a worthy, kind, man who discovered its power by helping his fellowman. Its light again became powerful and the miracles it was intended to perform has been a guiding force for good ever since, except for short periods of time when it got into the hands of the spiritual hoboes.

There are many so-called "spiritual hoboese" among us today—free riders, so to speak, always looking for a handout but never assuming any of the burden of others. Helping their fellowman is the least of their thoughts and how insulted they are when their plea for food, doctor's care or shelter is turned down.

Little do these spiritual hoboese realize that no man liveth who is not dependent on their fellowman, that all receiving and never giving has no place in the human race and usually ends in a violent death.

Until a few years ago, the Grotto was much like a spiritual hobo, using its Enchanted Lantern for mirth, fun and good fellowship among its members. Suddenly out of the darkness of the night the rays of the lantern brightened into a program of assuming the burden of others who cannot help themselves—our National Cerebral Palsy Foundation.

The light and glow of the lantern is still dim; the donations for Enchanted Lantern certificates is necessary to brighten its beams. Every certificate adds another ray of light and happiness into the heart of its donor and into the life of a helpless child.

Let's all throw off the yoke of the spiritual hobo, make a donation for an Enchanted Lantern certificate, and become a true humanitarian and add another ray of light in our Enchanted Lantern by having our name on the roll of honor in our great humanitarian project.
