## GRAND MONARCH'S MESSAGE

To all my friends throughout the Realm,

It is an absolute pleasure to serve you as the 126<sup>th</sup> Grand Monarch of the Supreme Council, M.O.V.P.E.R. As you are reading this, I will be approximately halfway through my year and Lady Kelly and I have enjoyed all the traveling that we have done and meeting everyone that we have met. Your hospitality has been greatly appreciated. We can't thank you enough for that!

We are still in the midst of phenomenal growth, having instituted over 40 new Grottoes in the last four years. I have had the privilege of instituting three at the writing of this letter and I want to extend a warm welcome to Beradar Grotto in Monticello, AR, Ol-El Ra Grotto in Lansing, MI, and Sinbad Grotto in Oklahoma City, OK. By the time you are reading this, two more will have been instituted, Itakua Grotto in Asuncion, Paraguay and Tenasi Grotto in Rockvale, TN and our total membership will be climbing towards 11,000 strong.

As we are in the Holiday Season, I ask that you stop and reflect on everything that you are thankful for. I am most thankful for my family, but I am also thankful for this wonderful fraternity and each of you for being who you are and the work you do within this great fraternity. Take a moment to let your loved ones know how much they mean to you.

I would also like to remind you to remember those affected by the violent storms that happened just a few short weeks ago. While the weather may be calmer now, some of our brothers, sisters, and friends are still recovering from their devastating losses and it may be years before they completely recover. Please feel free to make any donations to the Hardship Fund so that we may help them.

Lastly, I invite you to join Lady Kelly and me at the 135<sup>th</sup> annual session of the Supreme Council in Worthington, Ohio this coming June 8 – 15, 2025. It will be epic. In fact, Ohio masons may say it will "Be Legendary."

Wishing all of you the happiest of Holidays and a prosperous new year,

David A. Korb, Grand Monarch

## FROM THE DESK OF FIRST LADY KELLY

As the holiday season approaches, Dave and I want to take a moment to express our deepest gratitude to everyone who has supported the Grotto Hardship Fund by purchasing my Charm or his Challenge Coin. Thanks to your kindness and generosity, we've been able to grow the Grotto Hardship Fund.

The Grotto Hardship Fund was created with a single purpose: to offer aid to those navigating personal or financial hardships. This mission would not be possible without the commitment and compassion shown by each of you. Your donations have ensured that we can help

prophets by providing support during unforeseen crises.

As we continue "Traveling at the Speed of Grotto" this year we ask that you consider supporting the Grotto Hardship Fund by purchasing a Charm or Challenge Coin; both make wonderful gifts.

As you gather with loved ones this holiday season, please know that your generosity has brought warmth and comfort to others, spreading the spirit of compassion throughout our Grotto community. Dave and I thank you for your support, kindness, and belief in our mission. We wish you and your family a joyous holiday season filled with peace, love, and happiness.

*Kelly*

## The Seven Hermetic Principles and the Mystic Order of Veiled Prophets of the Enchanted Realm

By Pro. Frank J. Sforza, P.M., S.C.D.D.  
Grand Historian  
Grottoes International

"The Principles of truth are seven; he who knows these, understandingly, possesses the Magic Key before whose touch all the Doors of the Temple fly open."

### 1. The Principle of Mentalism -

*"THE ALL IS MIND; The Universe is Mental."*

The Enchanted Realm encompasses all we know, all our senses can see, feel, hear, taste and smell. The Enchanted Realm could be said to be a state of mind. Preparing our minds before we open our Grottoes and before we close through prayer and before any great and important undertaking paints the portrait of this first Principle.

### 2. The Principle of Correspondence -

*"AS ABOVE, SO BELOW;  
AS BELOW, SO ABOVE."*

In Grotto, as in lodge, at home or at labor we get out what we first put in. The principle of correspondence is a key part of this belief, and is seen as a way to understand the connections between people and the universe, between Prophets and the Enchanted Realm around us.

### 3. The Principle of Vibration -

*"NOTHING RESTS; EVERYTHING MOVES; EVERYTHING VIBRATES."*

Good Fellowship prevails when the Prophets and their fellows exude positive vibration in laughter and song, through jokes and tall tales. In sharing and caring for one another.

### 4. The Principle of Polarity -

*"EVERYTHING IS DUAL; everything has poles; everything has its pair of opposites; like and unlike are the same; opposites are identical in nature, but different in degree; extremes meet; all truths are but half-truths; all paradoxes may be reconciled."*

The unique quality of the Mystic Order of Veiled Prophets of the Enchanted Realm is partially portrayed by the diversity encountered throughout our travels in the Enchanted Realm. We speak with different accents and languages. We have differences in tradition and culture. Yet we share a common purpose and theme. To spread sympathy to those in need.

### 5. The Principle of Rhythm -

*"EVERYTHING FLOWS, OUT AND IN; everything has its tides; all things rise and fall; the pendulum-swing manifests in everything; the measure of the swing to the right is the measure of the swing to the left; rhythm compensates."*

Our leadership itself portrays this principle. One is elected to a sacred trust, serves seven years or so and takes

the throne only to step aside one year later. One day his Monarch presents him with a black Fez with red tassel and one day he puts on that gold ring, and even further later his brothers and Prophets may garnish his resting place with a sprig of acacia and overlay his body with white lambskin.

### 6. The Principle of Cause and Effect -

*"EVERY CAUSE HAS ITS EFFECT; every Effect has its Cause; everything happens according to Law; Chance is but a name for Law not recognized; there are many planes of causation, but nothing escapes the Law."*

It is a reminder that the choices and actions we make and take as Prophets have consequences, both positive and negative. The principle states that every cause has an effect, and every effect has a cause. Our Enchanted Realm has a need for sympathy causing the birth of our Humanitarian Foundation and calls us to give support, attention and aid to those children who need us.

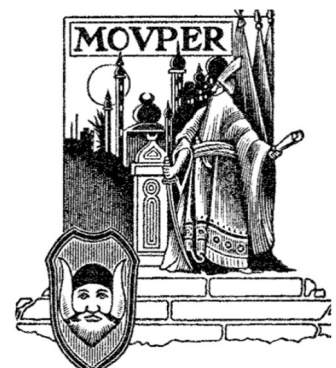

### 7. The Principle of Gender -

*"GENDER IS EVERYTHING; everything has its Masculine and Feminine Principles; Gender manifests on all planes."*

This principle manifests abundantly through our fellowship. We Prophets often bring our ladies to our various social events and activities, travel together to our associations and Supreme Council Sessions. We also learn quickly to mention our better halves when engaging in oration. Not to mention our sister organization, the Daughters of Mokanna with their own rich traditions and history.

In conclusion, these Principles lead to our 'Enlightenment', and should be sought with the most enthusiasm. The journey can take a lifetime of hard work, and only when one has achieved that goal he can with all honesty call himself a Prophet in the true spirit of the Mystic Order. Until that happens we must subdue our egos and accept the fact that we are all neophytes, regardless of our rank, age and position. We must also never forget that Prophets are Masons, not speculative but operative, and as we build better foundations within ourselves these foundations shall inevitably reflect a positive impact on the Enchanted Realm around us.

Respectfully submitted,  
Pro. Frank J. Sforza, P.M., S.C.D.D.

# Hardship Relief Fund

As many of you know, our Grotto community has been severely impacted by the recent hurricane that swept through the southern region of the United States, leaving many Prophets and their families displaced and in desperate need of assistance.

I am reaching out to ask for your support in our efforts to provide much-needed relief to those affected. Your generous contributions to the Grotto Hardship Fund will help us supply food, shelter, medical care, and other essential resources to those who have lost so much.

*Every dollar counts and no contribution is too small. Together, we can make a meaningful difference in the lives of our Grotto family during this challenging time.*

Donations can be made by:

- Sending a check to:

Supreme Council MOVPER, 430 Beecher Rd, Gahanna, OH 43230

(Memo Line: Hardship Relief)

- Online at [www.scgrotto.org/donate/hardship-relief-fund](http://www.scgrotto.org/donate/hardship-relief-fund)
- Calling the Supreme Council office at 614-933-9193,

Mon – Fri, 8:30AM to 3:30PM EST.

\*Donations are non-tax deductible.

Thank you for your consideration and support.

Yours in Good Fellowship,

David A. Korb, P.M.

Grand Monarch

## GRAND MONARCH DAVID KORB'S TRAVELS

Grand Monarch David Korb had the honor of instituting Ol-El-Ra Grotto and Sinbad Grotto. He sent Grand Chief Justice Marty D. Haley, P.M. to institute Itakua Grotto. The Supreme Council Board of Governors met on the weekend of November 1, 2024, where many great discussions about the Realm were had and Good Fellowship was shared.

(above) The Grand Monarch attended a special ceremonial named in his honor, hosted by Khana Shahar and Ormus Grottoes.

(left) He had the privilege of installing the officers of the Ohio Grotto Association, including the President, Ronald Wyatt, P.M., who is from his home Grotto, Yusef Khan.

## AROUND THE REALM

(left) Prophets of Empire State Grotto Association enjoyed their Fall meeting.

(above) Western Grotto Association was reinstituted and installed their officers.

(left) Zafar Grotto awarded Prophet Don Barger with a 50 year pin and certificate.

## AROUND THE REALM

(above and right) Kalifa Grotto, of Baja California, Mexico, has been sharing the *Good Fellowship* in Mexico with their charitable efforts. They transported medical supplies from Massachusetts, United States to Baja California, Mexico, which took a total of nine days. This cross-country effort greatly impacted hundreds of people in Tijuana, Mexico.

(above and left) The Miles for Special Smiles motorcycle ride raised over \$50,000 for the Humanitarian Foundation. The ride was over 11,000 miles long, from Florida to Alaska, and through Canada.

## A MESSAGE FROM YOUR HUMANITARIAN FOUNDATION TRUSTEES

To All Prophets, Ladies, Daughters of Mokanna and Friends:

Hello from your Trustees of the Humanitarian Foundation. We are happy to note that the upgrades to our systems are making it much easier to make donations. As we continue with this process, one day soon, most of the questions and concerns you the Prophets may have or had will be answered.

By the time you read this article, Travis and company have completed their more than 10,000 mile ride to Alaska and back to Zendah Grotto. They raised more than they had hoped, which was in excess of \$50,000 and donated to support the HF. Anyone who wants to can donate to this special cause at [www.milesforspecialsmiles.com](http://www.milesforspecialsmiles.com)

The George Washington Memorial Building in Alexandria, VA, is in the hands of our designer to upgrade it to reflect on today's Prophets while keeping the history of the Grotto for all to see.

Your Trustees have been very busy attending institutions of Grottoes, Association meetings, Grotto meetings, and several fun functions, and are happy to note that we have been well received and have accepted many donations toward Lanterns, Fairchild, and our Legacy programs, so please keep donating, as you the Prophet help make sure that **NO CHILD WILL BE LEFT BEHIND.**

On another note the Grand Monarch has asked that all that are able, please also donate to the SC Hardship Fund, as this helps Prophets in time of need, such as the natural disasters in Florida.

Yours in Sympathy and Good Fellowship,

George K. Abraham, III, P.M.

Humanitarian Foundation Trustee Chairman
